***Stopping Condition-** I want my prompt to be fit within 150 words.

***Questions-** ask me any question regarding my task for the best output.

Prompt obtained from ChatGPT

Create a premium, modern Telegram profile picture for “Batuta Travel Agency Pvt Ltd”, a Bangladeshi travel agency. Design a clean circular logo featuring a stylish airplane combined with a subtle globe/travel-route element. Include a simple elegant suitcase or location-pin detail. Use a professional travel-agency aesthetic, strong contrast, minimal elements, and a clean background. Place the text “BATUTA” prominently in the center or lower portion, with “TRAVEL AGENCY” in smaller text if space allows. Make it highly recognizable at small Telegram profile-picture size. Modern, trustworthy, premium, friendly, corporate branding, sharp vector-style logo, no people, no clutter, no unnecessary text. Square 1:1 composition, centered design, suitable for a Telegram AI customer-support bot.
